

#Bench

di Antonello Picucci

*#Bench è una raccolta di foto. Attimi rubati. Punti di vista.
Fugaci emozioni.*

Come un racconto fiabesco, Antonello ci accompagna in un viaggio tra atmosfere suggestive e singolari prospettive ondeggiando come in un dolcissimo "Ländler" tra il reale e l'immaginario.

"Le panchine custodiscono migliaia di storie meravigliose, ricordi di mani che si cercano, promesse mai mantenute, baci improvvisi.

Tutti ne abbiamo una sulla quale il cuore è ancora seduto."
